NEWS FROM THE SAVS Student Services Team

Have you ever used Blackboard?

You will lose access to Blackboard at the end of the year (after 15 December). This is a reminder to retrieve any content you wish to keep from past courses (that you haven't already saved) before Blackboard is turned off. [Access to Blackboard](#)

Exams

We are coming to the pointy end of Semester 2 with exams just around the corner. Your exam timetable has now been [released](#) so make sure you check where your exams are being held, the days and times. You may also like to read the University's helpful tips for [Managing Exam Stress](#).

Honours

Honours is a 1 year program consisting of a research project and associated theoretical work. An Honours year provides professional training in a chosen area of specialisation and experience in scientific research. It also enables stu-

dents to learn new research techniques and broaden their skill base. The Honours experience leads to increased job opportunities and is the foundation year for direct entry into postgraduate research degrees in Australia, e.g. the PhD. If you are interested in [Honours](#) for 2018 make sure you apply by Friday 27th October.

Head of School Message

You may have heard about the University's recently released \$14.3M [Campus Sustainability Plan](#). For our Campus, this means the University is investing a large portion of this money into a Solar Farm here at Roseworthy, which will provide upwards of 1.1MW of power and cover an area of 10,000sqm. The School of Engineering will be assisting in designing the Solar Farm and, together with implementation of energy efficient lighting and other carbon reduction plans, we look forward to the Campus moving towards a more environmentally sustaining position in the near future.

Congratulations to Jemma Seyfang who recently won the University Three Minute Thesis competition, taking out the Grand Final and also People's Choice Awards. Jemma then went on to represent the University at the Asia-Pacific Three Minute Thesis Competition held at University of Queensland on 29th September. The title of Jemma's talk was "Selecting the right pig for the job" and Jemma progressed from the Semi-Finals into the top 10 to compete in the Final ([video online](#)). Well done to Jemma!

Last but not least, I would like to wish all our students well for the coming examinations and, to our graduating students, your careers beyond 2017. Furthermore, I very much look forward to welcoming our DVM3 students as colleagues in the veterinary profession.

Professor Wayne Hein,
Head of School/Dean of Campus

EXAMS.... NO WORRIES, YOU'VE GOT THIS!

It's so easy to get drawn into the stress of exams but remember, this is your chance to demonstrate everything you've learnt this semester. Take it as an opportunity to prove just how awesome you are!

Develop a positive mind set.

- ✓ Believe in yourself – know your own potential go for it!
- ✓ No comparisons – don't compare yourself to others. Focus on you and your exams. It's your future and that's all that matters. Do your very best!
- ✓ Squash the negativity - don't let negative thoughts invade your headspace. Just because you have the thought doesn't mean that it is true or that you have to believe it. Positive self talk is the key.
- ✓ Remember, it's not ideal to fail but, it's not the end of the world either. Yes, you might be disappointed but these are just one set of exams. Focus on doing the best that you can. It's an opportunity to learn from your mistakes and start again.

How to make your exam revision easier

- Create a realistic planner. Make sure it includes social activities and breaks.
- Break down your revision into manageable chunks. Focus on just one section at a time.
- Create a visual record of how those sections are related, using mind-maps or a spider diagram.
- Mix up the subjects you're revising so that you don't get bored.

If you need information such as...

- Study techniques
- Exam preparation tips
- Strategies to tackle different styles of exams
- Tips to manage exam anxiety
- Time management
- Procrastination

TELL THE NEGATIVE
COMMITTEE THAT MEETS
INSIDE YOUR HEAD TO
SIT DOWN AND
SHUT UP

Come and check out our resources in the hub or see Sally.

Don't forget that exercise is also a fantastic way to alleviate stress. We have 3 very obliging dogs who would love to take you out for some exercise and a study break. If you're interested in being exercised, entertained, distracted and made to like the most important person in the world then look no further than the student services office. Pippa, Katie and Harry are available to fulfil the role. No appointment needed, they are very flexible with their time and always willing! Katie and Pippa are available Monday, Thursday and Friday's and Harry is practically full time.

Semester 2 Exams

Check your student email and the official timetable for any changes!

<http://www.adelaide.edu.au/student/exams/timetables/>

You are strongly advised not to bring a bag and/or personal items to the exam venue. Only bring to an exam those items which you need to undertake the exam.

Place all the materials you will need on your desk and put any other materials eg. mobile phones and pencil cases in your closed bag under your seat.

MUST BRING to each exam:

- Your student ID (or other photo identification)
- Reasonable supplies of all required writing materials, erasers, etc.

Materials permitted:

- A small purse or wallet, including keys, money, ID & credit cards
- One clear bottle of clear water, up to 1 litre in size (water is available at the venue)
- A closed bag stored under your seat
- Any materials specified by the examiner, as set out on the front page of the exam paper

Materials Not permitted:

You must not bring into the exam venue any material which enables, or has the potential to enable, you or others to cheat or to gain an unfair academic advantage. Examples of materials which are not permitted include, but are not limited to:

- writing or other paper
- dictionaries, textbooks, notes or other reference material not specified on the front page of the exam paper
- electronic devices including: diaries, dictionaries, organisers, laptop or palmtop computers unless specified by the examiner
- any drinks other than clear water in a clear container.

Bags

Students bringing **bags** into the exam venue may be subject to inspection as you enter the venue. Place all the materials you will need on your desk, close your bag and store it under your seat. Any items not permitted in the exam must be stored in your bag and not your pockets.

Materials NOT to be removed:

You must not remove any materials issued for use in the exam. All such materials remain the property of the University, whether they were used or not. These include completed scripts, ripped out pages, blank answer books, question papers, drawing paper and scribble paper.

Mobile Phones

You are not permitted to bring your mobile phone into the exam venue unless it is switched off and stored in your closed bag under your seat.

If a mobile phone is found switched on in your possession during the exam it will be deemed as a breach of the policy and will be held as unauthorised material and returned to you at the end of the exam. This may result in the matter being referred to the Head of School for further action in accordance with the Academic Dishonesty Procedures.

Replacement/Additional Assessment

[Modified Arrangements for Coursework Assessment \(MACA\) Policy.](#)

Before the Primary Examination

Students with an illness and/or exceptional personal circumstances must submit their application for R/AA to their School or Faculty no later than 3 business days before the primary exam (see Section 7. Applying for a Modified Arrangement

During the Primary Examination

Students who become ill on the way to or during the exam must notify an exam supervisor at the venue and apply for a replacement exam **within 3 business days** of the date of the primary exam.

Application forms for a R/AA are available from the Roseworthy Student Services Office and online at

<http://www.adelaide.edu.au/policies/3303/# Replacement Examinations>

Results

Results for Semester 2 will be available on Access Adelaide from **30 November**. If your results have not been posted contact your School or Faculty for advice.

Leukaemia Foundation
**WORLD'S
GREATEST
SHAVE™**

Hi I'm Ellen and I'm going to be shaving my head on the **26th of October** to raise funds and awareness for Blood cancer research.

SHAVING IT ALL OFF FOR THE CAUSE!

There are many people in my life who have been affected by cancer including my auntie who is fighting lymphoma.

Leukaemia, lymphoma and myeloma are types of blood cancer. They can develop in anyone, of any age, at any time.

More than 60,000 Australians are living with blood cancer or related disorders, and every day another 35 people will be diagnosed.

Blood cancer is the third most common cause of cancer death in Australia, claiming more lives than breast cancer or melanoma.

Although research is improving survival, sadly an Australian loses their life to blood cancer every two hours.

Thursday 26th of October

Semester Two 2017 Conferral of Award

Are you finishing your degree?

If yes, be sure to note important deadlines and the graduations webpage.

<https://www.adelaide.edu.au/student/graduations/deadlines/>

Application Deadline—Last day to check for an automatic application or to apply using Access Adelaide is 11:59pm Sunday, 3 December 2017.

Graduation Status Letter Date—View your Graduation Status Letter in Access Adelaide Friday 15, December 2017.

BPAY, PostBillPay or ePayment Deadline—Last day to use BPAY, PostBillPay or ePayment to resolve any outstanding debts that are preventing you from conferral is Sunday 17, December 2017.

Anomalies Deadline - 5:00pm on Thursday 21, December 2017—Last day to:

- Resolve any issue preventing you from conferral
- Change any name details or award details

Conferral line placed on transcript—by 5:00pm on Monday, 8 January 2018

What's the difference between Completion & Conferral?

- **Completion:** Completion is an automatic system process that will be added to your academic transcript once it has been verified by your Faculty that your completed courses meet the academic program rules of your degree. Please refer to the [important deadlines page on the graduations website](#).
- **Conferral:** Conferral means that you have completed all requirements for your award and are eligible to become a legal graduate of the University. Once you have been conferred into your award you are a legal graduate of the University and can use any titles associated with your award.

Testamurs, Transcripts & AHEGS

You can now purchase official academic transcripts, pay for testamur postage, apply for a replacement or re-issue testamur, and purchase copies of your AHEGS, through the online shop.

Do you need an Official Academic Transcript?

Transcripts can be purchased through the Online Shop on Unified. Unofficial Academic Transcripts can be downloaded from your Access Adelaide account.

Current students are now able to purchase printed Official Academic Transcripts and/or digital Official Academic Transcripts. Graduating students from July 2017 Conferrals will be issued a complimentary digital transcript shortly after conferral.

Students who intend to graduate as part of the next available ceremonies need to ensure there is a completion row on their official academic transcript before ordering.

For more information see: <https://www.adelaide.edu.au/student/graduations/parchment-transcript-ahegs/transcripts/>

Online Shop

My eEquals

My eEquals is an online system used to issue digital transcripts and graduation documents. Eligible students and graduates can securely access their digital documents, and share them with employers, universities, and other parties.

Testamur

A testamur is the legal document you receive after graduation. Also known as a 'Degree certificate' or 'parchment', Testamurs are the legal certification that your degree has been conferred. A testamur contains your name, the degree you completed, and the date it was conferred. Testamurs are signed by the Chancellor as well as the Vice-Chancellor and President of the University.

Australian Higher Education Graduation Statement (AHEGS)

The AHEGS is received as an addition to other graduation documentation, such as testamurs and academic transcripts.

RACSUC—Roseworthy Agricultural College Student Union Council

RACSUC held the annual Waite vs Roseworthy on Wednesday 11th October and what a success it was. Even though the weather was gloomy all day, the gods turned on the sunshine just for us. Roseworthy took out all four wins – womens and mens football, womens netball and mixed netball. This was the first year we trialed a new structure, holding the womens football first and the netball last with the addition of a mixed netball match. Thank you to all who helped make the night a success.

Charity week is in full swing with the colour run and quiz night being a great success. Charity ball will be held after the formal college dinner on the 26th October with a number of raffle items to be won and all proceeds going to Headspace. Thank you all who have donated to Headspace so far.

RACSUC held its AGM on the 16th of October where the new committee was elected and the decision to keep the sub committees structure was secured. Congratulations to all below who were elected to the new committee: Head committee – Georgie Ryan, Annie Heijkoop, Jasmine Rokov. Social committee – Angus Hesketh, Emily Boothey, Emily Grace Gartley, Alex Haysman, Isabella Fricke. Sports committee – Mitchell Graham, Charlie Mintz, Tom Hollis, Tom Hibbert. Community and Environmental committee – Sarah Brownrigg, Maddi Foster, Tiff Sullivan, Ashleigh Lane.

Artworthy

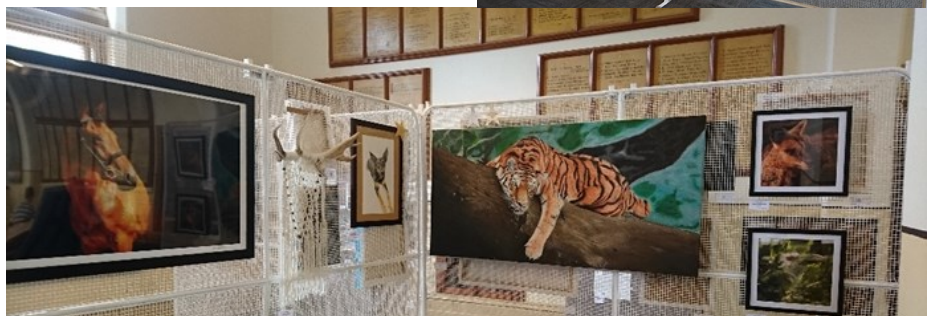

In September, we held our very first Artworthy Art and Photography Exhibition, kindly sponsored by the AVA. On the opening night, Graham Pratt from the AVA highlighted the reason for the exhibition – the importance of maintaining mental health of students and staff through the promotion of a healthy hobby such as art and photography. Engaging in the visual arts helps to improve creativity, expression of self and in our case, break up the seemingly never-ending study. With 35 entrants exhibiting 79 artworks and photographs combined, our judges: Norm Neilson (Art Norm's Studio), Kerrie Barrett (Gawler Art Society), Tracey Granger and David Purdie expressed they had a difficult time choosing the winners.

The exhibition was such a success, we decided to extend it for another three weeks for the school's Friends and Benefactors Day. AVSA would again like to thank everyone on campus who gave us a generous helping hand and advice in the events organisation, including Rebecca Dunbar, Fernando Almeida and Catherine Frankel, and to

Vet Ball

Back in July, our 'under the sea' themed Vet Ball was held at The Hilton. A wonderful night was enjoyed by our 370 attendees, with some tightly adhering to the theme and taking home male best dressed award (Alex Haysman and Angus Hesketh)! Our female best dressed was Sarah Cracknell. We thank Greencross for sponsoring the event and Hills for sponsoring the much enjoyed photo booth.

AVSA—Adelaide Veterinary Students Association

Industry Night

Industry Night proved to be a great opportunity to mingle and be informed by some of the leaders in the veterinary industry. Students listened to several presentations and wandered amongst stalls to hear what each company could offer students and new graduates.

Revue

Recently we showcased the very best talent on campus at this year's Revue held at the Starplex. Acts ranged from video submissions, including drone videography and staff skits, to live performances such as violin and saxophone solos, cello duet, belly dancing and ventriloquism. We thank all those who participated and attended, the night was a blast!

End of Year Pubcrawl

Following the great success of last year's inaugural end of year pubcrawl, we are throwing another one! The theme is 'Pup Fiction' inspired by the cult movie classic and will be held on Friday 17th of November in town. All shirts have been sold and will be handed out during exam week to each cohort at specified exams.

AGM

On Thursday last week we held our annual general meeting to elect our new 2018 committee – please see following! Year level representatives will be elected later this year or early 2018.

2018 AVSA Committee:

- President: Jessica Hancock
- Vice-president: Madeleine Reichstein
- Treasurer: Shontay Illman
- Secretary: Alana Ryan
- Sponsorship: Emma Maley
- Event Coordinators: Lloyd Ings & Lily Horner
- Merchandise & Publicity: Cassandra Marr
- Student Liason & Social Media Officer: Olivia Armstrong
- General Committee: Sarah Nicholls, Lizzy Davey & Adrianna Ruggiero

The end of the year is approaching quickly and AWAG wants to finish up with a talk by the one and only David McLelland at Adelaide Zoo on the 27th of October. After this the new committee will hide away for the summer brainstorming some ideas for some new and exciting events for 2018. We will however try to keep your favourite parts of the past years – such as necropsy days that we will endeavour to have more of.

CASIG-Companion Animal Special Interest Group

CASIG has had a spectacular 2017, with the most member signups we've had for a long time! We crammed this year full of a ton of fun and educational events, such as our lunch 'n' learns, dog information night, pet first aid day and IDEXX mixed practice workshop, all of which had a fantastic turn out. Our social events, which included movie night, RSPCA cupcake day and cocktail night, were wildly successful

and keep getting bigger and better each year! We can't wait to do it all over again in 2018 – come find us at O' Day next year to sign up and join us!

2017 REPORT

Thank you to all our members for signing up and supporting our events this year! A quick recap on what happened:

In term 1 we had a bushfire awareness talk from Liz Pryor, (a vet from Boehringer Ingelheim who has been involved with the CFS for several years). She covered a range of topics from basic fire behaviour, understanding fire dangers and managing risk, what to do if you are caught in a fire and bushfire plans. It was a valuable session for all!

In term 2 we visited the sale yards, where we learnt how the sales are run, where the cattle come from and had some practice identifying breeds.

In term 3 we had our major event combined with ESIG-Rural Prac Day! With 40 students participating ranging from 1st to 6th year, it was a great opportunity to get lots of hands on experience in a range of areas-

Andrew Hoare from South East Vets ran through pregnancy diagnosis and ageing in cattle, covering the anatomy of the reproductive tract and how the ultrasound works! He also talked about foot problems in cattle, and had us practicing foot trimming and placing blocks. The session finished with a chance to practice teat suturing!

James Meyer from Fleurieu Vets was a great addition to the day, talking to us about how his vehicle is designed, what you need in the car and how to make sure it is restocked correctly! He also had some great tips and tricks for the new graduate.

Kendra McLeod from the Equine Health and Performance Centre covered equine dentistry, from anatomy, teeth problems, tools and we had the chance to put this all into practice!

The day was capped off with drinks on the lawns and dinner at the Golden Fleece. Special thanks to Kath Brice and Anthony Wilkes for their help organising the day!

Our AGM was held on Thursday the 12th of October, with a great committee elected for 2018!

President: Peter Atkinson,

Secretary: Holly Taylor,

Treasurer: Brodhi Carracher

General committee: Jess Ellis, Emma Davy, Mitchell Graham, Maddy Perry, Miranda Sargeant.

Netball

The 2017 netball season at Roseworthy has definitely been one of success with our aim for the season being to develop a netball community and drastically increase participation. This year we had 4 mixed teams and 2 women's team, with new and returned players making up the 70+ players we had step on the court at the Starplex which pretty well triples the number we had involved last year and we are still looking to increase the size of the club.

Not only did we see ourselves improve as individuals and build as a club at the Starplex but we also had a bit of fun with some on college events such as the Roseworthy Mixed Netball Gala which saw students from across the board pulling teams together and having a crack at the beautiful game, we

got some really positive feedback from the event and are looking forward to hosting another event early next year. To wrap the season up the Roselow was a great opportunity to celebrate a great season, with the awards and beverages flowing.

This year has been a massive credit to our committee and the time and work they have put in to make events like the Mixed Gala night and Roselow presentation evening happen. Shout outs to committee members Jasmine Rokov, Jade Wastell Steven, Simone Trealar, and Ellie Sanders as well as those that helped us out with organising, funding and umpiring this season, particular mentions to Michelle Landers, Hayley Skeffington, Hailey Wilkinson, Cath Frankel David Purdie, Sally Polking-

home and most recently Hayley McGrice for saving us last minute at Waite VS Rosey. A final thanks to everyone who played this season, particularly those who have picked up the ball for the first time, your enthusiasm and has really lifted the club and hope it can continue on its upward trajectory for 2018. We still have 2 women's teams playing, so goodluck to those girls for the remainder of the season. If you have any further interest in playing next year or being involved in the club send me a message or jump on the committee, our AGM will be held on the 30/10 down at the BBQ rotunda - so head down for a feed and to start putting in place the team and plans for the 2018 RCNC netball season.

Men's Basketball

It's coming to the end of the season for the Roseworthy Mens Basketball Club now; I'm sure every one of us is going to miss it over the 5 month off-season. All 3 teams (Panthers, Ramrods and Roseworthy) have improved phenomenally this year and each of us have been able to prove ourselves as contenders within the STARPLEX competition. Ramrods were moved into Division 1 this season which has proved difficult but has been great experience in improving each player. Roseworthy are on a high after defeating the Panthers in one of the only showdowns this season. However, Panthers get the last

laugh as they currently stand at 2nd on the Div 2 premiership table and will be looking to finish off on top if possible. Overall this year has been amazing for the club with memberships higher than ever and plenty of talent coming through the ranks! Next year we will be looking to build the club further by utilising our new equipment in more structured trainings and by updating the team guernseys. Thanks to all the guys that have been involved in the club and I look forward to continuing to work with them next year. This especially extends to Wesley Halse and Dany Elzahaby who helped run the club this year, their

enthusiasm for the Panthers has been a great motivator for the whole club. Unfortunately, next year we will be saying goodbye to Keith Ross-Anderson who has been a long-time contributor to the club, we wish him all the best with work next year. His elegant ball-handling and flat shooting style will be missed by us all.

Women's Basketball

This year the Roseworthy Womens Basketball team began in a new competition, at The Rex in Tanunda. Starting the season with a few losses, the girls knew that we had finally found ourselves some good competition. After a few weeks we found our feet and began working really well as a team. From then on we won nearly every game, which put us into the semifinal. After a minor setback after being penalised 6 points for not wearing matching shorts, we still managed to pull in a win against one of the top sides that we were yet to

beat, securing our spot in the grand final against Tanunda Basketball Club. The girls all fought valiantly until the last second of the game, but unfortunately Tanunda was too strong and came out on top. Congratulations to all the girls for an awesome season, can't wait to see you all out next year. A special thank you to those who filled in, and to everyone who came and supported us, especially during finals!

Africa Trip

This year, three groups of students went to South Africa for either an elective or for EMS. The host organisation that kindly runs this trip is WildlifeVets South Africa, and has been running since 2013. The trip was wildlife medicine focused, but also involved community work with rabies prevention, preventative health work with local cattle farmers, pathology, anaesthetic drug trials, pharmacology lectures, darting, and plenty of hands-on work. During our downtime, we also had in-depth discussions about the current issues threatening conservation in South Africa. It was interesting to get a local perspective, and our perceptions were completely changed on numerous topics in terms of management of these issues.

By far the highlight of the trip for majority of the elective was assisting with dehorning of a Southern White Rhino to discourage poaching. The rhino was darted from a helicopter, and we assisted with anaesthetic monitoring and giving medications. There were lots of opportunities to visit wildlife-related

educational facilities, and we were able to gain a good understanding of the relationship between the community and wildlife conservation, and how this relationship has evolved over time. Whilst working with unique South African wildlife was incredible, the opportunity to give back to the community by being involved in preventative health measures for both domestic dogs and livestock was extremely rewarding.

To anyone that is considering going on this trip in 2018, we would highly recommend it. It was an enlightening and exhilarating experience, which we would all repeat in a heartbeat. The only part that was not enjoyable was having to come home.

LOOKING FOR SOMETHING OFF CAMPUS?

WANT TO PLAY MUSIC?

In the words of Sir Duke, music is a language we all understand. Gawler Town Band would like to welcome students from the Roseworthy campus to join a community band that plays out regularly, with a wide repertoire and a relaxed but professional atmosphere. We have players of all ages and at every level of ability, and we have some brass and woodwind instruments available for loan if you've left yours at home.

Feel free to come along and say hello. We rehearse on Monday nights from 7.00pm at St George's Parish Hall (24 Orleana Square in Gawler, next to the Zion pre-school).
