UNIVERSITY EXAMINATIONS.

TO THE EDITOR.

Sir—In the recent examinations for the
LL.B. degree at the Adelaide University
three students passed second class. Of these
one who failed last year is recommended for
the Stow prize. Why? Is it because he has
taken two years to do the work which the
others have done in one? As this looks very
like a premium for failure or laziness the
Registrar should state the reason.

I am, Sir, &c.,

JUSTICE.
