MILLINERS.

"JEAN" MILLINERY is noted as

"Distinguished in style"

"Correct as to vogue"

"Becoming in wear"

"Moderate in price"

In JEAN LTD. showrooms is to be found Millinery suitable for all occasions—whether for weddings, social functions, race meetings, or more general wear; but, as many ladies have expressed a wish for pretty inexpensive trimmed hats, for the less formal occasions of use, they have instituted a speciality line to meet the demand in **GUINEA HATS**, which will possess the same high-class characteristics as those which so distinguish "JEAN" MILLINERY.
