HARPENDEN, Herts.

Dear Professor Fisher,

my Thank you for your letter of December 5th in
reply to my problem. I am glad it was straightforward
but I am ~~afraid~~ *sorry* my knowledge of statistical ~~method~~ *is* was
not sufficient to prepare it for myself. I shall now be
able to make good use of it in my work.

Thank you very much indeed.

Yours sincerely,

- George D. S. Corns.
